### ***Congressman Mike Thompson***

We are honored to welcome Congressman Mike Thompson as our speaker this month. Mike Thompson represents California Congressional District 5 which encompasses all of Napa, and parts of Contra Costa, Lake, Solano and Sonoma Counties. He was elected to Congress in 1998. Prior to that he served in the California State Senate where he chaired the Budget Committee. Congressman Thompson currently is a member of the Ways and Means Committee, and chairs the Select Revenue Measures Subcommittee which focuses on creating a simpler tax code that provides greater financial opportunity.

After the Sandy Hook shooting, he was named Chair of the House Gun Violence Prevention Task Force. His bipartisan bill, HR8, passed the House in 2019. This legislation would have expanded background checks to cover all sales and represented the first major House vote on gun violence prevention legislation in 25 years. It has stalled in the Senate.

There will be time for questions and answers.
