

**General Communication for Members & Friends of Santa Rosa Democratic Club
A Call for Action — We Need Your Help!**

POSTCARDS have had a major impact with the 2018 and now 2020 Elections. Santa Rosa Democratic Club has a great group of people, led by Nanci Hoban, writing postcards for many elections both in California and out of state campaigns. Your Democratic Club Postcard Team has made and continues to make a difference in these campaigns.

SRDC has underwritten the cost of the postcards and stamps and is finding in 2020 the cost will be over \$2,000. This election is a most important one. Due to the fact that we have had only one dinner meeting (January) this year, we have no income other than dues. We continue with general expenses including office supplies, Crab Feed costs, insurance coverage, a one year Zoom account, and storage units.

So, we are asking our wonderful members if they would contribute any amount you are comfortable with and mail your check payable to SRDC to P.O. Box 32, Santa Rosa, CA .

Your Executive Board thanks you for your kind support.
