In honor of Earth Day, we are pleased to have Congressman Jared Huffman, representing CA Congressional District 2, joining us at our April meeting.

Jared Huffman represents California's 2nd Congressional District which spans the North Coast of the state, from the Golden Gate Bridge to the Oregon border, and includes Marin, Sonoma, Mendocino, Humboldt, Trinity, and Del Norte counties. He was first elected to Congress in November 2012 and currently serves on the Committee on Natural Resources, the Committee on Transportation and Infrastructure, and the Select Committee on the Climate Crisis. In the 117th Congress, he chairs the Natural Resources Subcommittee on Water, Oceans and Wildlife, with jurisdiction over federal water projects, fisheries management, coastal zone and oceans policy, and wildlife and endangered species. Jared also founded the Congressional Freethought Caucus to promote sound public policy based on reason, science and moral values, while protecting the secular character of government and championing the value of freedom of thought worldwide.

During his four terms in Congress, Jared has built a reputation as a progressive leader and an environmental expert who focuses on making a difference. Sonoma County Democratic Party

Just now · 

The Sonoma County Democratic Party calls for the immediate resignation of Dominic Foppoli as Mayor of Windsor. The allegations of sexual assault and sexual misconduct as reported this morning in the San Francisco Chronicle are shocking and serious, dating back many years and supported by harrowing narratives from several women who have bravely stepped forward with their accounts. Of course, Mayor Foppoli deserves due process, but the gravity of the situation requires that he step down immediately.
