Core Issues: NOW is a multi-issue, multi-strategy organization that takes a holistic approach to women's rights. Our priorities are winning economic equality and securing it with an amendment to the U.S. Constitution that will guarantee equal rights for women; championing abortion rights, reproductive freedom, and other women's health issues; opposing racism; fighting bigotry against the LGBTQIA community; and ending violence against women.

We are proud to be the Sonoma County Chapter of NOW and hope to see all of you at this special membership and friends meeting.
